Summer Assignment for Sophomores and Juniors

Welcome to AP US History! I am so proud of you for taking this course and I look forward to meeting each and every one of you! Your summer assignment is to read the first three chapters and several primary source excerpts found in our textbook, *Give Me Liberty!* By Eric Foner. You will answer the questions listed below in response to your readings. When we get closer to the school year starting, and Canvas is populated, I will alert you of due dates and make a place for submission of this work. Plan on this work being due the first full week of school.

Read Chapter 1 and answer questions on p. 47 – Review Questions

Read Voices of Freedom on p. 36 and p. 37 and answer Questions 1-3 on p. 37

Read Chapter 2 and answer questions on p. 85 – Review Questions

Read Voices of Freedom on p. 74 & 75 and answer Questions 1-3 on p. 75

Read Chapter 3 and answer questions on p. 125 – Review Questions

Read Voices of Freedom on p. 112 and 113 and answer questions 1-3 on p. 113

Please purchase John P. Irish's *Historical Thinking Skills: Workbook for U.S. History*. Please also buy an AP US History Review book. I recommend the latest version of Kaplan's book. There is a 2020-21 version that is available. Do NOT buy a textbook, one will be provided, but you will have to pick it up at school over the summer. If you still need to pick a book up at school, please email me and I will make arrangements with Mrs. Boyle for you to do so.

Thank you!
