You will also document new words you learn and use those words in original sentences. Use the form attached to this packet to record the articles you have read and write your summaries.

Where will I find news articles in Spanish? There are a number of news websites in Spanish available on the Internet.

Assignment #3: Listening/Viewing Practice (10 points per summary) (THREE (3) summaries)

Listen to the radio, news, etc. and document it with a summary of 5-7 sentences in Spanish. Do not forget to document the web page, radio name, etc. You may also fulfill this requirement by watching Spanish television, but it should be something of educational value with a lot of language use such as a news program. See log attached.

Vary the type of material you listen to. For example: listen to things related to the environment, politics, economics, tourism, etc. At the beginning it may be hard to understand the first time so you may listen to it more than once, takes notes, etc.

Assignment #4: Writing Practice (10 points per entry)

You will be required to write **5 journal entries** of approximately 60 words (not including prepositions, etc.) on topics of your choice. Please make sure you write (2) entries in the present, (2) entries in the past tense and (1) using "If clauses". These can be about your family, favorite TV show, favorite music group, etc. Be careful not to translate directly from English to Spanish, nor use any online translation service, as points will be deducted or you may not receive a score for that entry. All journal entries must be typed and emailed.
